### The Food model price lists

Thai Dietetic Association is proud to present the food model according to food exchange which is made with high quality and refractory resin. The size and color of the models are close to the natural food. It is washable and easy to clean. The variety of food models are displayed on plate and sealed with clear plastic. It comes with a special designed suitcase for easy to carry around.

No	Size	List	Price (Not include shipping)
1	Medium size 50 pieces	Food Model	27,000.-Baht
2	1 Suitcase	( 1 bag for 50 pieces)	6,000.-Baht
	Total		33,000.-Baht

TDA hope that you will be interested in using our food model as a teaching food for your patients. Students and the general public to better understanding the food exchange list and the healthy menu planning. On behalf of TDA. I would like to thank you for your consideration and hope to hear from you soon.

Yours truly
