

## SOY PROTEIN

### NEW FUJINIK 52

#### Nutrition Facts

Water	7.0%
Protein (in terms of anhydride)	56.2%
Fat	1.3%
Ash	6.5%
Carbohydrate	32.9%
Calories	353kcal

Type	Chicken Flake
Size	S
Feature	Soy protein with outstanding texture and flavor, transformed into meat-like tissue by original technology. It is rich in meat-granule texture and offers excellent retention of moisture, which prevents shrinkage due to cooking.
Application	Instant Noodle, Seafood Processed Food, Meet Processed Food, Vegetarian Food
